Success is in the ACTION, not the OUTCOME.

Write your vision statement or BHAG below:

In your pre-pandemic life, what and who supported that vision?

VISION: _____

GOAL <i>List the goals you'd need to accomplish to fulfill your vision.</i>	PROJECTS <i>What projects make up each of those goals?</i>	TASKS <i>What tasks must be done to complete each project?</i>	STEPS <i>Identify one small step you can take to make progress on each task.</i>

Finally, **TAKE ACTION!** As you plan your upcoming days, be sure to incorporate time to work on your steps, tasks, projects, and goals. Super small steps quickly turn into BIG wins!

I am committed to living life on MY terms.

My life's vision is the beacon that keeps me on course.

Whatever blocks my path is merely clutter to be cleared.

EVERYTHING is possible.
